

Ahmet Ruçhan Avci

COMPUTER ENGINEERING - 3RD

LANGUAGE

- English - Advanced
- Turkish - Native

SKILLS

SOFTWARE

- Python - Pandas - Numpy
- AI and ML - TensorFlow - OpenCV
- JavaScript
- ReactJs - VueJS
- NodeJS - MongoDB
- HTML - CSS
- Git

OTHERS

- Leadership
- Analytical thinking and practical intelligence
- Strong and friendly human relations
- Solution-oriented, problem-solving skills
- Teamwork

HOBBIES AND INTERESTS

- Aikido - Shodan (Officially licensed black belt)
- Swimming
- Science, space and technology
- Book and authorship
- Art and design

EDUCATION

• Adile Mermerci High School

2015 - 2019

• Beykent University

Computer Engineering (GPA - 3,72)

2020 - 2024

ABOUT ME

I am a 3rd year computer engineering student. I continue my career in software development.

To my future career;

I want to continue in a position where I can use my leadership ability and software knowledge, along with my management skills.

I carry out my studies in the field of software on Artificial Intelligence and Machine Learning with Python (Pandas, Numpy, OpenCV, TensorFlow). Also Web development ReactJs and JavaScript, for FrontEnd, NodeJS and MongoDB for BackEnd are among the technologies I use most often.

Besides the university, I am a student at the French-based Ecole-42 International software school. I develop algorithms on C and Java languages and do software projects.
